EXTERIOR DESIGN BY RWD

The exterior styling is defined by an elegance that expresses a modern and highly distinctive style: a perfect combination of Italian refinement and classic English lines. She offers an experience in total symbiosis with nature.

INTERIOR DESIGN BY BONETTI/KOZERSKI

The interiors, created for relaxed and informal comfort and reminiscent of an elegant open space loft, are designed by New York firm Bonetti Kozerski Architecture.

Bathed in natural light, the interiors feature a formal dining room with two large wine cellars, a private salon and terrace.

The expansive upper deck offers ample space for sunbathing, complete with jacuzzi, sun pads, bar, grill and alfresco dining for 12 guests.

The main deck salon is the perfect place to enjoy unobstructed views of the open sea and kick back on crisp white sofas.

INTERIORS CHARACTERISED BY A CHIC AND MINIMALIST ELEGANCE

One of M.Y. Northern Escape's best features is ultimately her outstanding beach club. The swim platform connects seamlessly to the main deck and its infinity pool, while two fold-down sea level side platforms are added to create a truly outstanding beach club terrace.
