

NORTHERN  
ESCAPE

## M.Y. NORTHERN ESCAPE

41m Benetti Oasis Yacht M.Y. Northern Escape is available for charter in the picturesque and unspoiled waters of Tropical North Queensland and the South Pacific.

## AN ADVENTUROUS LOOK WITH A GLAMOROUS SPIRIT

Enjoy the sophisticated, informal, easygoing rhythm of life on board. Lay back and find the perfect space for each moment of the day.

## EXTERIOR DESIGN BY RWD

The exterior styling is defined by an elegance that expresses a modern and highly distinctive style: a perfect combination of Italian refinement and classic English lines. She offers an experience in total symbiosis with nature.

## INTERIOR DESIGN BY BONETTI/KOZERSKI

The interiors, created for relaxed and informal comfort and reminiscent of an elegant open space loft, are designed by New York firm Bonetti Kozerski Architecture.

Bathed in natural light, the interiors feature a formal dining room with two large wine cellars, a private salon and terrace.

The expansive upper deck offers ample space for sunbathing, complete with jacuzzi, sun beds, bar, grill and alfresco dining for 12 guests.

The main deck salon is the perfect place to enjoy unobstructed views of the open sea and kick back on soft white sofas.

One of M.Y. Northern Escape's best features is ultimately her outstanding beach club. The swim platform connects seamlessly to the main deck and its infinity pool, while two fold-down sea level side platforms are added to create a truly outstanding beach club terrace.

## ACCOMMODATION

M.Y. Northern Escape can accommodate 10-12 guests in a flexible cabin layout, included a main deck full beam master suite with an office area, dressing rooms and his and her bathrooms featuring a steam shower. On the main deck, there is also an additional room with two fold down bunk beds, which can operate as a wellness room when not being used as an extra guest or children's cabin.

The rest of the accommodation is on the lower deck and includes two VIP cabins, and two twin convertibles with additional pullman berths.
